Ziegler Chemical & Mineral Corporation

Dear Allen:

Thank you for your call today. In accordance with our discussion I have enclosed a corrected page 3-A for the above referenced report. This refers to Section 3592.1 (C) Parts 5 & 6. I have entered the corrected tonnage of 221,484 tons.

Thank you for bringing this to my attention. I have also send copies of the corrected page to the Vernal District office and to Tony Gallegos at the Division of Oil, Gas & Mining.

I have also enclosed an additional copy of the proposed plan so that when the plan has been approved, we can receive an approved copy.

Very truly yours,

ROBERT E. COVINGTON
